## wineries for value: Portugal

Discover the producers that made the most value wines in the past year. Sort by average score, average price, and the number of values produced—or change the score and price criteria to expand or shrink the list. To see a full list of wines, or add any to your Personal Wine List, click on the winery name.

\$25 and under ▼

85 and up ▼

Change criteria

Winery (click on winery name to see wine details)	# of Wines	Avg. Score	Avg. Price
